DRINK SOMETHING BETTER

WHY GO YAUPON?

Yaupon is a delicious, healthy, and stimulating herbal tea, which has been enjoyed for thousands of years by Florida's native people. Yaupon contains as much caffeine as green tea, (*camellia sinensis*), and is a potent source of healthy antioxidants.

Yaupon Brothers American Tea cultivates and harvests Yaupon in pristine Florida wilds using fair labour and sustainable agricultural practices. There is a little bit of Florida in every drop of Yaupon Brothers Tea!
